ATHS Mission: “To preserve the history of trucks, the trucking industry, and its pioneers”

## Sitting on the tailgate.....

### Next Meeting

Our next chapter meeting will be June 17<sup>th</sup> at Dennis and Diann Wells’, 2288 Calendar Road, Arroyo Grande. The chapter will provide fried chicken. Please bring a pot luck side dish or dessert to share. Beverages, paper plates, and plastic tableware provided.

11:00 AM – Business Meeting

Noon – Lunch

This meeting we will finalize the planning for the 26<sup>th</sup> Annual Cooler on July 15<sup>th</sup>. We will have flyers for you to take home and put in store windows, on bulletin boards, etc.

I will have Dinner tickets for the Cooler at this meeting. \$30 each, cash or check. Since dinner tickets are “Advance Only,” this is your opportunity to get yours. If you cannot make the meeting, mail a check made out to “CCC-ATHS” to: Larry Hoenig, 192 Century Ln, Arroyo Grand, CA 93420. Sales will end a week before the Cooler so we can give the caterer an accurate count.

## Nipomo High School Scholarship

On June 6<sup>th</sup>, I will present our American Truck Historical Society Scholarship to Jacob Billenger. Jacob has maintained a 3.8 GPA and is hoping to attend the University of Southern California as an environmental engineer. He is an exceptional student and athlete on campus!

## Pacific Northwest Truck Museum

A note from the Pacific Northwest Truck Museum has been received reading: “Thank you for Central Coast Chapter’s donation of \$300 to the Truck Museum. Your gift was put into the Endowment Fund, and will help the museum continue into the future. We appreciate your support! Sincerely, Carolyn Crume, Banker, Pacific NW Truck Museum.”

## Cooler Photos 1998 – 2005

Someone created a really nice album of photos from Coolers at Bob King’s ranch from 1998 to 2005. It will be at our meeting on June 17<sup>th</sup> at the Wells’ if you would like to relive Coolers from the past. Before my time in California.

## August 19<sup>th</sup> Chapter Meeting

Our August meeting will be at the Mendenhall Museum in Buellton. You don’t want to miss this. Nominations for your officers for 2018-2019 will be taken at this meeting. More info will be in the August newsletter.

(continued on next page)

## Warbirds, Wings and Wheels Car Show

Glenn Allen and Cathy Hoenig showed their trucks at the Warbirds, Wings and Wheels Car Show at the Paso Robles Airport on May 13<sup>th</sup>. Glenn was awarded the *President's Trophy* for his Mack, GMC, Ford creation. He received many favorable comments on the unique paint, and the marriage of diverse parts. Cathy won *Best in Class for 1945-Present Pickups* for her 1946 Dodge one-ton pickup. It was bought by her grandfather in Michigan in 1946 and used on his potato farm. It is restored to like new from the factory and is mostly original.

See you on the 17<sup>th</sup> at the Wells'.

Larry Hoenig

---

## MINUTES OF THE CENTRAL COAST CHAPTER, ATHS

Estrella Warbirds Museum & Woodland Auto Display, Paso Robles, CA – March 18, 2017

After a group photo requested by our hosts, Larry started the meeting at 10:45 with 17 members present.

Draft minutes of the November 12, 2016 meeting, as corrected by striking out the sentence “the original \$10k rainy day fund was donated by Bob King . . .”, were approved. (Bob did many things and contributed a great deal to the club, but that as written wasn't one of them).

Dona gave a treasurer's report, and has rolled over our CD at U.S. Bank as we requested.

Larry read a letter from the Pacific Northwest Truck Museum in Brooks, Oregon requesting support. It was opted to not join as a member club, but MSP (moved, seconded, and passed) to send a \$300 donation.

It was MSP to approve the bylaws as edited and updated by Larry to reflect our current practices.

Turning to the “Cooler” – the survey results were made available and discussed. There was a clear consensus that we would continue to have a dinner in the school hall. We are on the calendar for the high school. Porta potties have been reserved. Louisa's ran a lunch concession for us last year, and indicated they would consider returning. The survey responses confirm that we are very inclusive as to the types of vehicles we would welcome, but there were no suggestions as to specific organizations to contact. We are on the calendar for the Central Coast Vintage Machinery Association, and they have been with us for the past few years.

Extensive discussion of the dinner, charging for truck registration, and advance registration went back and forth – but some decisions needed to be finalized now in order to get flyers and any pre-registration information printed and available prior to our June 17<sup>th</sup> meeting.

It was MSP that there would be a \$25 charge for single truck registration, and a \$50 charge for two or more, and that each advance paid registration would receive a \$10 coupon to be used at the lunch concession.

It was MSP that the dinner would be available by pre-registration only. It was MSP that the dinner would be beef and cost \$30.

At 11:45 we adjourned for a nice lunch and individual touring of the museum and car display.

Draft for approval – ray
